Winemaking/Ferment notes: Our 2018 Riesling grapes were picked at optimum maturity and flavor concentration. Harvesting the grapes in the early morning at cool temperatures, processing and pressing the berries promptly and gently, ensures the varietal aromas/ the wine was fermented slowly at 14°C (55°F) for 28 days and arrested at 0.70% residual sweetness. Sweet citrus, melon and pear flavors mingle beautifully with spicy minerality and brisk acidity. This is a perfect wine for lunch, or for casual sipping on the porch with friends.
