

SOUTH SHORE WINE COMPANY

Traminette

Vintage: 2020

Appellation: Lake Erie

Residual Sugar: 1%

Alcohol: 12%

Varieties: Traminette (100%)

Winemaking/Ferment notes: Traminette is a semi-dry wine with a muscat-spice character bursting with floral notes, complimented by ripe apples and pears mingled with the sweetness of violets and apple blossoms. The fruit was crushed and cold soaked for 24 hours prior to pressing to enhance the spicy aromas. The wine is cool fermented and bottled with a hint of residual sugar to create a balanced, crisp wine. It's complex, yet elegant.

Cellaring potential: Best consumed young

pH: 3.34

TA: 7.0 g/L

Vineyards: Moorhead Farms, Szklenski Brothers, and Knight Farm

Harvest Dates: 10/9-18/20

Food pairing(s): Blackened seafood or chicken; shellfish; Asian cuisine

Date Edited: 2/11/2022
