

COMMISERATION IMPERIAL STOUT

Alcohol: 12.8%

IBUs: 40

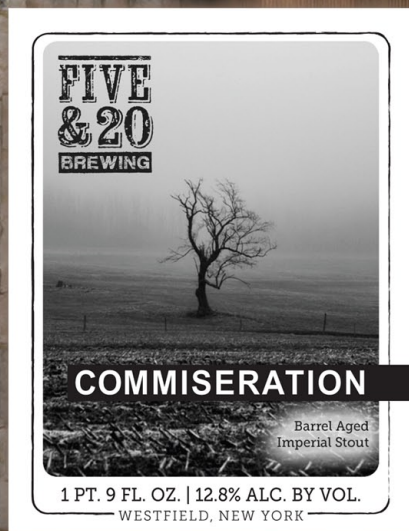

SRM: 121 (Darker than Black)

Grain Bill: NY Pale Malt, C-60 Malt, Debittered Black Malt, Chocolate Malt, Oats

Hops: Chinook in the boil for bittering, NY grown Cascade in the whirlpool for flavor and aroma

Brewing Notes: Mashed at a higher temperature for a finish with a bit of perceived sweetness using dark roasted malts which impart roasty notes of coffee and dark chocolate, and oats for a thicker, creamy mouthfeel and head retention. Once fermentation is finished, the beer is aged in our freshly emptied Bourbon Barrels for approximately 7 months.

Tasting Notes: A Deep black beer with a creamy brown head. Rich chocolate aromas, with notes of bourbon and dark fruit. The taste is full of bakers chocolate, brown sugar, and raisins. This beer finishes slightly warm, with a full bodied, smooth mouthfeel.
