

The Mazza family has been making craft beverages on the shores of Lake Erie for nearly 50 years.

Beginning with a single vineyard in 1972, our family – and beverage list – has extended to five locations and dozens of products, including wine, spirits, and craft beers. Today, Mazza produces more than 375,000 gallons of fresh juice and wine and has approximately 550 acres under grapes and grain cultivation in Lake Erie Wine Country in partnership with a network of long-established and well-regarded growing partners.

FAMILY

Robert Mazza, Owner & Founder

A leader in the Pennsylvania wine industry with a focus on creating quality, local products, Bob has been leading the Mazza team with the help of his wife, Kathleen, and growing the Mazza business, along with the PA wine industry, since Mazza Vineyards' beginnings in 1972.

Mario Mazza, Vice President & General Manager

With a Bachelor of Science Degree in Chemical Engineering from Case Western Reserve University in Cleveland, OH, Mario went on to earn a Master's Degree in Enology from the University of Adelaide in Australia. While there, he gained experience in the Barossa Valley and in the Adelaide Hills. In addition to his early exposure to the family business, Mario has 15 years of experience in research & commercial winemaking, as well as sensory training including participating in the founding and ongoing administration of the PA Wine Quality Initiative. He has a passion for quality and excellence in both process and product.

Guillermo Lombardo, Associate Winemaker

Guillermo, originally from Mendoza, Argentina, received his Bachelor's Degree in Enology in his home town, where he also worked for several wineries as well as for his family's farm and vineyards. Grapes and wine run in his family as his mother is a winemaker and his dad a grapegrower. He brings international experience in winemaking from Australia, along with experience from nearby Long Island, NY. Guillermo believes that a passion for people and for quality work are the main pillars for making great wines, and we are excited to have him as a part of our team.

Frank, co-founder of Mazza Vineyards, employed winemaking techniques and traditions passed down from his father who tended to 40 acres of sloping terrain planted with figs, chestnuts, and vineyards in Calabria, Italy until he left for the U.S. in 1954.

Gary studied alongside Helmut and Frank since 1973. Gary led the first Ice Wine vintage in 1984 and worked with Mario Mazza to develop the new wine lists for Mazza Chautauqua Cellars and the South Shore Wine Company when those operations launched in 2006 and 2007 respectively. Gary was an integral part of Mazza Vineyards until his passing.
