Five & 20 Spirits and Brewing is about more than barley, hops, copper, and oak. The brand is all about its local roots – planted in soil enriched by the Whiskey Rebellion and now nourishing the crops that are harvested, mashed, boiled, and eventually poured into your glass. Our commitment to sourcing local doesn't end with agricultural products. Five and 20 Spirits and Brewing shares a home with Mazza Chautauqua Cellars, giving us the unique ability to age our specialty beers in our own recently emptied wine and whiskey barrels, imparting every last drop of flavor from the still-wet staves. The combination winery, distillery, and brewery is the first of its kind in New York State.

Five & 20 Spirits

Local agricultural products – from rye to barley – give our craft spirits their robust flavor and unique character that our distiller can tweak and adjust to bring out the very best in every bottle.

Five & 20 Brewing

Five & 20 beers range from light and refreshing to bold and complex, but each one begins the same way – with a collaboration with a local farmer so we know exactly where each barley grain and hop flower that makes its way into your glass comes from.

HYBRID WINE FINDS ITS FORMAT

MAY 20, 2022

Mazza estimates that between 5 and 7 percent of the output is in the form of hybrid sparkling bottles, but “we see that increasing. We’ve had a stellar response in the markets, and as we expand our distribution beyond Pennsylvania, New York, Connecticut and New Jersey, we see that component as a growth spot.”

MAZZA ICE WINE WINNER AT PENNSYLVANIA WINE SOCIETY'S 18TH ANNUAL COMPETITION

FEBRUARY 10, 2020

It's the second straight year that a white wine has won the intra-state event, which annually takes place at the Hilton Harrisburg. More than 100 people, the biggest crowd ever for one of these events, attended. It drew members of the Wine Society, other guests, and winemaker/owners representing most of the wineries that finished as finalists.

Y DRINK With 50 years of fine wine under its belt, Mazza Vineyards (enjoymazza.com) is ready to celebrate with a new sip. Located outside of Erie, the family-owned and operated vineyard was founded in 1972 by brothers Robert and Frank Mazza. This month, to mark the occasion, they are introducing a dry white wine, The Perfect Blanc, to The Perfect Wines collection (enjoyperfectwine.com). “The Perfect Blanc will be delicately clean and dry with floral and fruity aromas for a—dare I say—perfectly refreshing wine for those warmer days and evenings on the porch, boat or by the pool,” says assistant winemaker Matthew Herrera. Joining a crisp rosé, floral bubbly and oaky red, the aromatic white sip—available at PA Libations in Reading Terminal, among other stores—offers the ideal balance between flavor and aesthetic, and is sure to be a favorite summer bottle.

PHILADELPHIA STYLE

The Perfect Blanc blends some of Lake Erie AVA's more fragrant varieties like vidal blanc, traminette, vigneoles and cayuga.
