

The Mazza family has been making craft beverages on the shores of Lake Erie for more than 50 years.

Beginning with a single vineyard in 1972, our family – and beverage list – has extended to four locations and dozens of products, including wine, spirits, and craft beers. Today, Mazza produces more than 500,000 gallons of fresh juice and wine and has approximately 600 acres under grapes and grain cultivation in Lake Erie Wine Country in partnership with a network of long-established and well-regarded growing partners.

FAMILY

Robert Mazza, Founder & President

A leader in the Pennsylvania wine industry with a focus on creating quality, local products, Bob has been leading the Mazza team with the help of his wife, Kathleen, and growing the Mazza business, along with the PA wine industry, since Mazza Vineyards' beginnings in 1972.

Mario Mazza, Vice President & General Manager

With a Bachelor of Science Degree in Chemical Engineering from Case Western Reserve University in Cleveland, OH, Mario went on to earn a Master's Degree in Enology from the University of Adelaide in Australia. While there, he gained experience in the Barossa Valley and in the Adelaide Hills. In addition to his early exposure to the family business, Mario has 15 years of experience in research & commercial winemaking, as well as sensory training including participating in the founding and ongoing administration of the PA Wine Quality Initiative. He has a passion for quality and excellence in both process and product.

Matthew Herrera, Assistant Winemaker

Matt, originally from Western New York, earned his BSc in Molecular Biology from Defiance College and his MSc in the same from OSU. Between his undergrad and graduate programs, an opportunity to travel abroad brought him to wine regions across Europe and, with that, a lasting appreciation for the craft of winemaking. Since that time, Matt has become a Certified Sommelier, made his way through level 4 of the WSET program, and gained professional experience as a wine buyer, beverage program director, and finally reaching his ultimate goal of winemaking, proudly joining the team at Mazza Vineyards as the assistant winemaker

Helmut graduated from the famed school of enology at Geisenheim and he came to Mazza Vineyards from Henkle and Sekt Co, one of the largest wineries in Germany. At the age of 23, he had the distinction of being one of the youngest winemakers in the Eastern U.S. Kranich helped Mazza to create distinguished Rieslings and other wines in the Germanic style.

Frank, co-founder of Mazza Vineyards, employed winemaking techniques and traditions passed down from his father who tended to 40 acres of sloping terrain planted with figs, chestnuts, and vineyards in Calabria, Italy until he left for the U.S. in 1954.

Gary studied alongside Helmut and Frank since 1973. Gary led the first Ice Wine vintage in 1984 and worked with Mario Mazza to develop the new wine lists for Mazza Chautauqua Cellars and the South Shore Wine Company when those operations launched in 2006 and 2007 respectively. Gary was an integral part of Mazza Vineyards until his passing.

S GARY MOSIER + HEI MIIT KRANICH

Mario returned from Australia to the family business, bringing with him the experience of studying enology at the University of Adelaide and working in the Barossa Valley and other regions in South Australia.

Peter's experience working in California, Australia, and Europe helped to develop the Bare Bones series for Mazza Vineyards. Peter also produced the first vintage of Grüner Veltliner in 2012 for the South Shore Wine Company.

Carolina continued to refine the existing blends and wines through a variety of techniques learned from experience working in New Zealand, Chile, Uruguay, and California. Carolina produced the first Carmine vintage in 2015 for the South Shore Wine Company and the 2016 vintage of Teroldego for Mazza Vineyards.

> MARIO MAZZA + PETER SZERDAHELYI

Ana brought her experience from Portugal, Burgundy, and New Zealand to build upon her predecessors' efforts and helped hone wines in the portfolio, including Grüner Veltliner.

Aneep completed his M.Sc. in Viticulture & Enology (Euromaster Vinifera – France & Germany) and then traveled doing internships and harvests in Europe, New Zealand, and California.

Guillermo originally from Mendoza, Argentina, received his Bachelor's Degree in Enology in his home town, where he also worked for several wineries as well as for his family's farm and vineyards.

Mazza Vineyards, nestled along the shores of Lake Erie, is the Mazza family's flagship location. The winery was founded and built in 1972 by brothers Robert and Frank Mazza in a rustic, Mediterranean style serving as tribute to the family's Italian roots.

Today, Mazza Vineyards is helmed by Robert and his son, Mario, and is one of the largest producers of wine in the state. Honoring the original mission to make exceptional wines, Mazza Vineyards serves up quality as much as quantity, garnering local, national, and international accolades.

The Mazzas originally selected the Lake Erie Region for its cool offshore breezes, sandy soil, and plateau-like topography. This unique combination of conditions is ideal for growing classic wine grapes and European hybrids.

Drawing inspiration, experience, and technique from a lineage of international winemakers hailing from Germany, Portugal, Argentina, and beyond, their clean, experimental New World approach to winemaking has resulted in a fascinating wine list that ranges from crisp and pristine to robust and fruit-forward.

WINE PORTFOLIO

THE TRIBUTE COLLECTION

While our wine list has evolved from our first vintage in 1973, this core portfolio of classic varieties has served as its foundation decade over decade, celebrating the wines that we've continuously produced and continue to perfect.

There's a place for tradition in winemaking, and there's a place for experimentation. This eclectic and ever-evolving collage is a toast to the latter, reflecting the impressively diverse and intentionally international lineage of winemakers who poured their hearts and souls, talent and techniques, into our wines.

MAY 20, 2022

Mazza estimates that between 5 and 7 percent of the output is in the form of hybrid sparkling bottles, but "we see that increasing.
