[@MAZZAWINES](#)

ENJOYMAZZA.COM

The Mazza family has been making craft beverages on the shores of Lake Erie for more than 50 years.

Beginning with a single vineyard in 1972, our family – and beverage list – has extended to four locations and dozens of products, including wine, spirits, and craft beers. Today, Mazza produces more than 435,000 gallons of fresh juice and wine annually and has approximately 600 acres under grapes and grain cultivation in Lake Erie Wine Country in partnership with a network of long-established and well-regarded growing partners.

MEET THE FAMILY

Robert Mazza, Founder & President

A leader in the Pennsylvania wine industry with a focus on creating quality, local products, Bob has been leading the Mazza team with the help of his wife, Kathleen, and growing the Mazza business, along with the PA wine industry, since Mazza Vineyards' beginnings in 1972.

Mario Mazza, Vice President & General Manager

With a Bachelor of Science Degree in Chemical Engineering from Case Western Reserve University in Cleveland, OH, Mario went on to earn a Master's Degree in Enology from the University of Adelaide in Australia. While there, he gained experience in the Barossa Valley and in the Adelaide Hills. In addition to his early exposure to the family business, Mario has more than 15 years of experience in research & commercial winemaking, as well as sensory training including participating in the founding and ongoing administration of the PA Wine Quality Initiative. He has a passion for quality and excellence in both process and product.

Guillermo Lombardo, Head Winemaker

Guillermo, originally from Mendoza, Argentina, received his Bachelor's Degree in Enology in his home town, where he also worked for several wineries as well as for his family's farm and vineyards. Grapes and wine run in his family as his mother is a winemaker and his dad a grape grower. He brings international experience in winemaking from Australia, along with experience from nearby Long Island, NY. Guillermo believes that a passion for people and for quality work are the main pillars for making great wines, and we are excited to have him as a part of our team.

OUR WINEMAKING LINEAGE

1973-1977

HELMUT KRANICH

Helmut graduated from the famed school of enology at Geisenheim and he came to Mazza Vineyards from Henkle and Sekt Co, one of the largest wineries in Germany. At the age of 23, he had the distinction of being one of the youngest winemakers in the Eastern U.S. Kranich helped Mazza to create distinguished Rieslings and other wines in the Germanic style.

1977-1980

FRANK MAZZA

Frank, co-founder of Mazza Vineyards, employed winemaking techniques and traditions passed down from his father who tended to 40 acres of sloping terrain planted with figs, chestnuts, and vineyards in Calabria, Italy until he left for the U.S. in 1954.

1981-2008

GARY MOSIER

Gary studied alongside Helmut and Frank since 1973. Gary led the first Ice Wine vintage in 1984 and worked with Mario Mazza to develop the new wine lists for Mazza Chautauqua Cellars and the South Shore Wine Company when those operations launched in 2006 and 2007 respectively. Gary was an integral part of Mazza Vineyards until his passing.

2008-2012

MARIO MAZZA

Mario returned from Australia to the family business, bringing with him the experience of studying enology at the University of Adelaide and working in the Barossa Valley and other regions in South Australia.

2012-2015

PETER SZERDAHELYI

Peter's experience working in California, Australia, and Europe helped to develop the Bare Bones series for Mazza Vineyards. Peter also produced the first vintage of Grüner Veltliner in 2012 for the South Shore Wine Company.

2015-2017

CAROLINA
DAMIANO CORES

Carolina continued to refine the existing blends and wines through a variety of techniques learned from experience working in New Zealand, Chile, Uruguay, and California. MAZZA VINEYARDS

Mazza Vineyards, nestled along the shores of Lake Erie, is the Mazza family's flagship location. The winery was founded and built in 1972 by brothers Robert and Frank Mazza in a rustic, Mediterranean style serving as tribute to the family's Italian roots.

Today, Mazza Vineyards is helmed by Robert and his son, Mario, and is one of the largest producers of wine in the state. Honoring the original mission to make exceptional wines, Mazza Vineyards serves up quality as much as quantity, garnering local, national, and international accolades.

The Mazzas originally selected the Lake Erie Region for its cool offshore breezes, sandy soil, and plateau-like topography. This unique combination of conditions is ideal for growing classic wine grapes and European hybrids.

Drawing inspiration, experience, and technique from a lineage of international winemakers hailing from Germany, Portugal, Argentina, and beyond, their clean, experimental New World approach to winemaking has resulted in a fascinating wine list that ranges from crisp and pristine to robust and fruit-forward.

*South Shore
Wine Company*

South Shore Wine Company is locally known for its historic stone cavern tasting room. Built in the 1860's in the style of traditional French wine caverns, the cellar fell into disrepair and neglect following Prohibition and was purchased and restored by the Mazza family in 2007. They breathed new life into the historically significant site that had sat quietly beneath a bustling hotel for nearly a century.

However, it is South Shore's wine list that is gaining wider recognition on the national and global stage. Throughout the 1700's and 1800's, sparkling wine

production flourished in the north east region of the United States, namely in the Lake Erie wine region. South Shore Wine Company proudly carries on this effervescent tradition with a bevy of bubbly bottles produced in a variety of methods from traditional to contemporary to experimental.

In addition to their sparkling varieties, South Shore Wine Company touts a collection of interesting and emerging grape varietals that have impressed and delighted wine lovers near and far.

MAZZA CHAUTAUQUA CELLARS

Mazza Chautauqua Cellars is the Mazza family's third winery location in the Lake Erie AVA. The winery's opening in 2005 represented the realization of a long-standing goal to expand across the Pennsylvania state line. Establishing a home base in New York provided a foundation for the Mazza family to create long-lasting partnerships with a network of well-respected local farmers and to craft a unique new collection of wines that is as reflective of the surrounding growing region as it is of the Mazza's internationally-focused winemaking approach.

The resulting wine list is an interesting and varied collection of refined European varietals and easy-sipping native ones that showcase the depth of the region's agricultural diversity. The winemaking style here is rooted in the Mazza family's traditional Italian heritage and strongly influenced by their international winemaking team. This blend of experience, approach, and global perspective can be tasted in every barrel, bottle, and glass.

HYBRID WINE FINDS ITS FORMAT

MAY 20, 2022

Mazza estimates that between 5 and 7 percent of the output is in the form of hybrid sparkling bottles, but “we see that increasing. We’ve had a stellar response in the markets, and as we expand our distribution beyond Pennsylvania, New York, Connecticut and New Jersey, we see that component as a growth spot.”

V DRINK With 50 years of fine wine under its belt, Mazza Vineyards (enjoymazza.com) is ready to celebrate with a new sip. Located outside of Erie, the family-owned and operated vineyard was founded in 1972 by brothers Robert and Frank Mazza. This month, to mark the occasion, they are introducing a dry white wine, The Perfect Blanc, to The Perfect Wines collection (enjoyperfectwine.com). “The Perfect Blanc will be delicately clean and dry with floral and fruity aromas for a—dare I say—perfectly refreshing wine for those warmer days and evenings on the porch, boat or by the pool,” says assistant winemaker Matthew Herrera. Joining a crisp rosé, floral bubbly and oaky red, the aromatic white sip—available at PA Libations in Reading Terminal, among other stores—offers the ideal balance between flavor and aesthetic, and is sure to be a favorite summer bottle.

PHILADELPHIA STYLE

The Perfect Blanc blends some of Lake Erie AVA's more fragrant varieties like vidal blanc, traminette, vigneoles and cayuga.

MAZZA ICE WINE WINNER AT PENNSYLVANIA WINE SOCIETY'S 18TH ANNUAL COMPETITION

FEBRUARY 10, 2020

It's the second straight year that a white wine has won the intra-state event, which annually takes place at the Hilton Harrisburg. More than 100 people, the biggest crowd ever for one of these events, attended. It drew members of the Wine Society, other guests, and winemaker/owners representing most of the wineries that finished as finalists.
